“AUDIT THE FED” PETITION to REPRESENTATIVE _____

WHEREAS: Congress, the Federal Reserve, and the U.S. Treasury have put the American taxpayer on the hook for over \$14 trillion in bailouts and loans; and

WHEREAS: The Federal Reserve refuses to fully disclose the details of how it spends trillions of taxpayer funds; and

WHEREAS: Allowing the Fed to operate our nation’s monetary system in almost complete secrecy leads to abuse, inflation, and a lower quality of life for every American; and

WHEREAS: Congressman Ron Paul’s HR 459, the Federal Reserve Transparency Act, would require a full audit of the Fed for the first time in its history and would provide answers to the American People about how our money is being spent; and

WHEREAS: An overwhelming majority of the American People supports such legislation to thoroughly audit the Federal Reserve;

THEREFORE: It’s time to hold the Federal Reserve accountable to Congress and the U.S. Taxpayers. I urge you to immediately cosponsor and work for a roll call vote on HR 459!
